**\*\*Please Note:** If there is no score recorded for the mSOFA score column, this means there is a part missing, and it could not calculate a score. mSOFA requirements column shows which parts are present or missing. The orange icons mean this part of the score is present, the grey icons mean that it is missing. If you do not know what the icon means, they can hover or refer to the legend below.

	SpO2/FiO2 ratio:		MAP, Inotropes & Vasopressors:		Glasgow Coma Scale:
	Bilirubin or Jaundice:		Creatinine Labs:		Patient Weight:

If all parts present, you will see all orange icons and scored calculated. If you see grey icons, no score calculated.
